

Please join us for a Science in Human Culture Program TOWN HALL on

"SCIENCE, PUBLIC TRUST, and GOVERNANCE"

M FEBRUARY 27, 2017 | 4:00 – 5:30PM | UNIVERSITY HALL 201

WITH

PABLO BOCZKOWSKI Communication Studies
"Perspectives of a Media Scholar"

YARROW AXFORD Earth and Planetary Sciences
"Perspectives of a Climate Scientist"

AVIVA ROTHMAN University of Chicago
"Perspectives on Teaching Social Construction"

The recent U.S. elections dramatically increased anxieties about the fate and future of scientific expertise. If anyone doubted that science is entwined with politics, public commentary over the past year has exploded this myth afresh. Please join us for a conversation about "fake news," the role of the media, challenges to climate (and other) sciences, and effects on our pedagogy.
